Safety Grip 5x5

Før montering
Innkorting av sidekjetting

*Before mounting
Side chain shortening*

Vor Montage
Seitekette abgekürzt

www.trygg.no

www.nosted.com

910228

Tabellen under viser hvor mange sidekjetting ledd som normalt bør kortes inn ved hvert av de tre stiftkoblingene (A, B, og C) på hver sidekjetting.

The table below shows how many side chain links that are usually needed to be shortened by each of the three (A, B, and C) pin connectors.

Die Tabelle unten zeigt welche Stückzahl der Glieder der Seitenkette bei den drei Stiftkupplungen (A, B und C) abgekürzt werden muss.
