WARNING!

IMPROPER USE CAN RESULT IN DEATH OR SERIOUS INJURY

*ONLY use these chains as tire chains.
NEVER use for towing, lifting, securing,
or lashing.*

*DO NOT exceed 30 mph (50 km/h).
Chains can break under tension
causing hazardous projectiles and
loss of vehicle control.*

*DO NOT operate with worn, damaged,
or improperly installed chains.*

*DO NOT use tire chains on dry pavement
or under conditions where snow or ice
is not present, as this may cause tire
damage or loss of control.*

*ALWAYS read and follow full safety
instructions provided in the QR-code
link.*

Thank you for choosing TRYGG!

*TRYGG (Norwegian for "safe") is a name
that commits. Since 1939, we've pushed
product development and innovation to
deliver the safest and most user-friendly
products.*

*Our sourcing and production methods
ensure some of the world's most envi-
ronmentally friendly chains.*

*We hope you enjoy your new TRYGG tire
chains!*
