The effects of exercising the right of withdrawal

If you withdraw from this agreement, we shall refund all payments we have received from you, including the delivery costs (with the exception of additional costs as a result of you having chosen a different type of delivery than the cheapest type of standard delivery we offer), without undue delay and in all cases no later than 14 days after the day we receive notification of your decision to withdraw from this agreement.

We make the repayment with the same means of payment that you used for the original transaction unless you have expressly agreed otherwise with us.

In all cases, you will not be charged any fee as a result of the refund. We can withhold the refund until we have received the goods back, or until you have provided documentation that the goods have been sent back, or until whichever of these times occurs first.

You must return the goods or deliver them to us, without undue delay and in any case no later than 14 days after the day you notified us that you wanted to withdraw from the agreement. The deadline is met if you send back the goods before the 14-day deadline has expired.

You must bear the direct costs of returning the goods.

You are responsible only for any reduction in the value of the goods due to handling of the goods other than that which is necessary to determine their nature, characteristics, and function.
