IGLAND SBV 2270 SlideFlex Snow blower

Product description

Simple and strong snowblower. Full 2.2 metre working width. The snowblower is suitable for smaller tractors. Covers a need for an easy snowblower for smaller tasks. SBV 2270 comes with mechanically removable SlideFlex system that gives sideways flexible 3-point hitch. The snowblower can move up to 30 cm to the side. Skid shoes and wear-resistant steel is standard. The snowblower is delivered with a hydraulic chute rotation. The deflector of the chute is manual adjusted. Very good throwing distance thanks to the fan, with special-shaped shovels, and with a diameter of 70 cm. Both fan and fanhousing are made in HARDOX steel.
